We got A problem? In research 1882 History it says he married Chistena Wycuff born in Penn.22 July 1850 She bore him the following children: Orlando, Cora, Adell, Franklin, Emma, George and Christena C.. Mrs Bassett was the daugter of Jesse and Kathane Wycuff of german descent. Her parnets moved to Ashland co., Ohio, where resided till her father death in 1862. The mother then came to Noble Co.where she died in 1869. The date of the marriage is not found, yet. Squire Starkey did the honors of the wedding. There is C.C. Action owing a across the road from Lucas. So the history is tingled again Comes down to the stone carver and those documented in books.
